

Attendance & Make-Ups

1. Attendance is taken at each class. Good attendance is very important to each dancer's success, as well as the progress of the class as a whole. Please make every effort to have your child at class each week. Missing classes is inevitable, but excessive absences can become a problem.
2. In the event of a dancer falling ill, please keep them home from class in order to reduce the chance of spreading the illness. If a dancer is injured they are encouraged to observe class.
3. Make-up classes are not offered due to student absence. Videos of missed choreography can be provided if the instructor feels the student is falling behind. Make-up lessons for inclement weather closings or instructor illness with no substitute will be held during scheduled time off (i.e. February vacation, April vacation etc.) after the second cancelled class.

Tuition & Late Fees

1. Tuition is due by the first class of each month.
2. Tuition is based on a 9-month dance year (or approximately 36 weeks), and is broken down into 10 monthly payments (September to June). The monthly fee remains the same regardless of the number of classes in any given month, or the amount of classes your child chooses to attend. There are no tuition deductions for holidays.
3. A \$15 late fee is automatically added if not paid by the 15th of each month.
4. The studio can take payments in cash, check or credit/debit cards. Please make checks payable to Dick Barker School of Dance.
5. Any student who wishes to withdraw must notify the studio in writing prior to the beginning of a new month. Parents are responsible for payment as long as their child's name is on the class roster.
6. There is a \$45 returned check fee, per check, on all returned checks for any reason.
